

**We focus on you, so you can focus on patients.**

## Imagine what it would be like to have...

- A Dedicated Local Support Team—with a strong National Presence
- A Streamlined Workflow Process—by enhancing Office Personnel’s skill sets
- An Increase in Business Cash Flow—by reducing payer rejections and accounts receivable balance

Your Practice can have all of the above by implementing software that works synergistically across scheduling, billing, clearinghouse, clinical, and patient experience with iClaim® and EMRx® software solutions!
